

## VIDEO PROTOTYPE

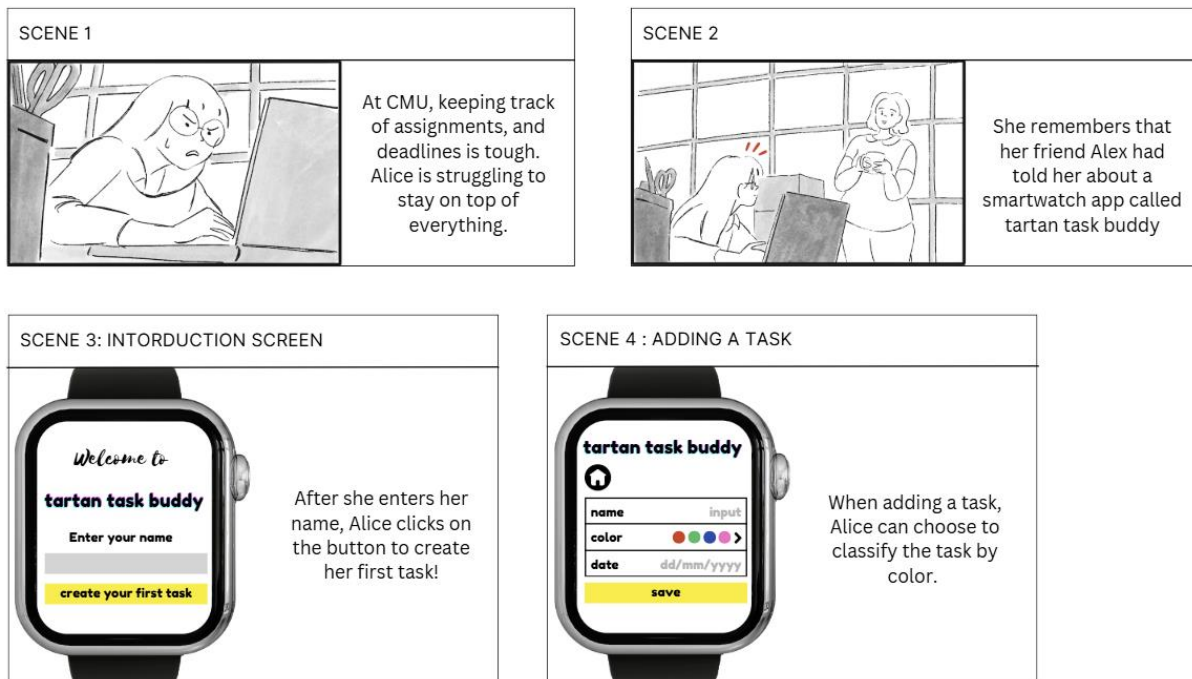

### Brief description

Tartan Task Buddy is a smartwatch-based task management app designed specifically for students to stay on top of assignments, deadlines, and daily responsibilities with minimal distractions. With a quick-glance interface, users can effortlessly track their tasks, receive smart notifications, and maintain productivity on the go. Whether it's an upcoming homework deadline or an important meeting, Tartan Task Buddy ensures that students stay organized and ahead of their workload.

### Assistance

The Hollywood storyboard and screens were created on Canva. The video was edited using Microsoft Clipchamp. My friend, Gayathri Eyunni helped me make the video.
